VIA HAND DELIVERY

Dear Ms. Kay:

SUBJECT: INFORMATION REQUESTED AT THE OCTOBER 14, 2008 MEETING BY THE NEW MEXICO ENVIRONMENT DEPARTMENT ON THE LOS ALAMOS NATIONAL LABORATORY'S SITE TREATMENT PLAN (STP) FISCAL YEAR 2007 (FY07) UPDATE AND REVISION 18.0

On October 14, 2008, a meeting was held between management and staff of the Los Alamos National Security, LLC (LANS) and the New Mexico Environment Department (NMED). This meeting addressed the National Nuclear Security Agency (NNSA) and LANS response to the August 8, 2008 NMED Notice of Disapproval (NOD) of the Los Alamos National Laboratory (LANL) Fiscal Year 2007 (FY07) Revision 18 Site Treatment Plan (STP). Responding to the NOD, NNSA/LANS had previously submitted a modified FY07 STP on August 28, 2008 (ENV-RCRA letter 08-177). At the above referenced meeting, NMED required NNSA/LANS to resubmit a reformatted FY07 STP.

In this letter, NNSA/LANS is submitting a reformatted version of the August 28, 2008 LANL FY07 STP with no changes to the content. The format changes are as follows:

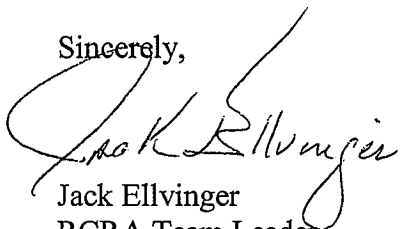

- ✓ 1) A hard copy of the modified FY07 STP without redline/strikeout edits (Attachment 1).
- ✓ 2) A compact disc (CD) with the FY07 STP in Microsoft Word format without redline/strikeout edits (Attachment 2).
- ✓ 3) A CD with the FY07 STP in Adobe PDF format with all redline/strikeout edits shown (Attachment 3).

Also please find attached a copy of the NNSA/LANS August 28, 2008 NOD response letter (Attachment 4), which discusses the NNSA/LANS response to the August 8, 2008 NMED NOD.

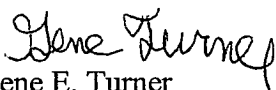

Additionally, pursuant to your request a second copy of this entire reformatted re-submittal package is provided. This second copy also includes a copy of this transmittal letter.

Thank you for providing us with your concerns on the document format of our October 14, 2008 submission. It is important to us that we provide you information in the format that best meets your needs. If you have any questions regarding this reformatted package, please call Jack Ellvinger at 667-0633 or Gene Turner at 667-5794.

Sincerely,

Jack Ellvinger
