**RE: FINAL DECISION AND RESPONSE TO PUBLIC COMMENT ON THE  
SCHEDULE CHANGES FOR THE MARCH 1, 2005 ORDER ON CONSENT  
LOS ALAMOS NATIONAL LABORATORY**

Dear Interested Citizen:

The New Mexico Environment Department (NMED) with the U.S. Department of Energy (DOE) and the Los Alamos National Security, LLC (collectively, the "Permittees") are in agreement to schedule changes to the March 1, 2005 Order on Consent. The agreement was signed by the NMED Secretary on June 18, 2007.

Public comments were solicited by NMED on the proposed schedule changes for a period of 60 days from November 27, 2006 to January 26, 2007. NMED also held a public meeting on December 7, 2006, during which NMED provided additional information on the proposed changes. Comments concerning the schedule changes were received from one commenter. No changes were made to the proposed schedule based on the comments. The final schedule tables and the response to comments can be viewed on the Department's web page at [www.nmenv.state.nm.us/hwb/lanlperm.html](http://www.nmenv.state.nm.us/hwb/lanlperm.html) under Order Schedule Change (2006).

Sincerely,

A handwritten signature in black ink, appearing to read "John E. Kieling".
