

Initial Notification
Area Source Rule for Nine Metal Fabrication and Finishing Source Categories
 40 CFR Part 63 Subpart XXXXXX

Initial Notification due no later than July 25, 2011 for Existing Sources and
Notification of Compliance Status due on or before November 22, 2011 for Existing Sources

Check the appropriate Yes or No box below.

- Yes I am subject to 40 CFR 63 Subpart XXXXXX. Fill out the rest of the form.
- No, I am NOT subject to 40 CFR Part 63 Subpart XXXXXX. (If no, fill out the reason why along with the rest of the form and submit.

Reason not applicable. (Describe the type of operation and list NAICS¹ code(s)): _____

1. Owner's name/title: _____
2. Company Name: _____
3. Owner's Company Address: _____
4. Owner's telephone number: _____
5. Owners email address (if available): _____
6. Is the Operator the same person as the Owner? Yes No (if no, please provide the following information for the operator.
7. Operator name/title: _____
8. Operator's address: _____
9. Operator telephone number: _____
10. Operator email address (if available): _____
11. Facility address (physical location): _____
12. How many workers do you typically employ? _____
13. The following are the operations at this facility that are subject² to Subpart XXXXXX (check all that apply and list the amount of each):

Type of Process	Check all that apply	Number of units
Dry Abrasive Blasting	<input type="checkbox"/>	
(1) Totally enclosed and unvented blast chambers	<input type="checkbox"/>	
(2) Vented enclosures	<input type="checkbox"/>	
(3) Objects over 8 feet in any dimension	<input type="checkbox"/>	
Dry Machining	<input type="checkbox"/>	
Dry Grinding or Dry Polishing with Stationary Machines	<input type="checkbox"/>	

¹ North American Industry Classification System

Type of Process	Check all that apply	Number of Units
Spray Painting	<input type="checkbox"/>	
(1) In a spray booth	<input type="checkbox"/>	
(2) In a spray room	<input type="checkbox"/>	
(3) Without a spray booth (for Fabricated Structural Metal facilities or any objects over 15 feet)	<input type="checkbox"/>	
Welding	<input type="checkbox"/>	
(1) Use less than 2,000 pounds of MFHAP-containing ² welding rod or welding wire annually	<input type="checkbox"/>	
(2) Use 2,000 pounds or more of MFHAP-containing ² welding rod or welding wire annually	<input type="checkbox"/>	

²**Important note:** These operations are affected sources under Subpart XXXXXX **only if/when** they use materials that contain or have the potential to emit metal fabrication or metal finishing Hazardous Air Pollutant (MFHAP). **MFHAP containing/potential** is defined to be when the compounds of cadmium, chromium, lead, manganese, and nickel, or any of these metals in the elemental form with the exception of lead, are used or have the potential to be emitted in quantities of 0.1 percent or more, or 1.0 percent or more for the elemental or compounds of manganese.

Certification:

Check the box below that best applies to your situation:

I am an existing source that is submitting this form as an Initial Notification Only. I will be in compliance with this subpart on or before November 22, 2011. I understand I need to submit the Initial and Compliance Status Notification form.

As noted previously, I am not subject to this subpart for reasons listed on page 1. All materials used do not contain the compounds of cadmium, chromium, lead, manganese and nickel.

I hereby certify the truth, accuracy, and completeness of this notification.
